# Expanding your business in Lithuania

Expanding into new international markets can prove to be a challenge for many often unexpected reasons. Our "Unlock Lithuania" service aims to assure you have interdisciplinary support every step of the way to your new venture.

From finding the best location to setting up a branch or a subsidiary - we are fully committed to your success.

International expansion is an important step, but we know how to make it an easy one. With a dedicated international business advisor, who takes time to understand your business and tailor the service to your specific needs, so you can focus on making the right business decisions. Efficiently manage the risks and maximize your potential on the new market thanks to professional and timely advice.

Our advisers can help you at every stage of your company's growth cycle – from starting-up, raising venture funding, listing on an exchange, acquiring or merging with another company, or using Lithuania as a base to expand into other markets. Regardless of the challenge at hand, we make sure your business is ready for it.
